## Sysco Pensions Direct Deposit Form

As part of the Nova Scotia Pension Services Corporation’s policy to improve the reliability of payment of your monthly pension benefits, we wish to advise that a direct deposit transfer system is mandatory. This system will automatically credit your bank account with the net amount of your pension payment on the first business day of each month, rather than mailing the cheque to your home or bank. This system also eliminates the problem of lost cheques and guarantees that your pension payments will continue to reach your bank account in the event of a disruption or delay in postal service.

In order to initiate the direct deposit transfer system, you must have an active account with a chartered bank, credit union or trust company in Canada which participates in direct deposits through the Canadian Banking System.

On the back side of this form you will find instructions on how to complete the Direct Deposit Form.

Please note: **a Payment Advice (statement of earnings and deductions) will be mailed to the address on file at the time of your first pension payment and again when there is a change to your file (i.e., change in address, direct deposit information, pension payment amount or tax deductions).**

Should you have any questions regarding the direct deposit transfer system or require assistance before completing the enrolment form, please contact our office. The completed form for all recipients should be forwarded directly to the address at the bottom of this letterhead.
